

October 2025

Notice of Change in Registration Submission Method

Thank you for your continued efforts in sharing the Enagic business and philosophy around the world.

To further support your global activities, Enagic has made the following decision:

- As of October 31, 2025, we will discontinue order registration at all branch offices.

Going forward, orders will be accepted via email to the GOC (Global Operation Center) or online through the Enagic Online Store (EOS).

Both GOC reception and online (EOS) orders will be available 24 hours a day, 365 days a year.

We are confident that this decision will further accelerate your activities, allowing you to promote the Enagic business and its philosophy anytime, anywhere, more effectively than ever before.

We sincerely appreciate your understanding and cooperation regarding this change.

Email Address for GOC Japan: goc.jpn@enagic.com

Should you have any concern regarding this change, please contact local office.
